* Common Country Prefixes are awarded through the ITU (International Telecommunications Union), a specialized agency under the UN for information and communication technologies. More information regarding the ITU and their activities regarding radio can be found here: www.itu.int/en/ITU-R/Pages/default.aspx.

A list of International Country Codes are also available through the ARRL. Please visit www.arrl.org/country-lists-prefixes for any updates and changes. As of Jan. 1st. 2016, this list is up to date. Icom America is not responsible for information that changes regarding these codes. For an accurate listing, always check with the ITU and the ARRL.

** A special unofficial callsign used for Awards purposes by amateur radio operators.
